

Orange County Chapter Quarterly NEWS

Brought to you by the Orange County Chapter of the American Society of Safety Professionals.

Highlights

Orange County Chapter Earns Platinum Recognition

The Orange County Chapter has been awarded **Platinum Level Recognition** for the 2024–2025 year, marking another successful milestone for the chapter.

New Awards, Honors, and Recognition!

The Chapter is excited to introduce a new Awards & Recognition page dedicated to celebrating the achievements and contributions, big or small, of our members. Visit the page to learn how you can nominate, be recognized, and help honor excellence in safety and leadership!

Upcoming Events

Join us for the Joint Technical Symposium (JTS), the premier EHS conference in Southern California. and take advantage of opportunities to learn, network, and grow. Check out our Event page for this and other upcoming Chapter events.

Welcome New OCASSP Members!

We're excited to welcome new members who have joined our chapter over the past three months. Please join us in giving a warm welcome to our new members as they become part of our expanding community of safety professionals.

Did You Know?

The Chapter offers reimbursement programs to support members with expenses such as professional certifications and membership dues. In addition, ASSP provides a hardship program that allows members who have lost employment to renew their membership for one year at no cost.
